On the third page of this article there in an additional, erroneous value included in the list of *d*-spacings and 69.34 should not appear. The correct sentence is as follows: "The p-XRD pattern (Fig. 1) of the sample prepared at 220 °C for 1 hour shows main peaks at *d*-spacings of: 3.14, 2.73, 1.92, 1.64, 1.35 and 1.24 for the (112), (200), (204), (312), (400) and (316) spacings of kesterite CZTS (ICDD: 04-015-0223)."
