

Cover Letter

Dear Colleagues,
an early career sociologist
emerging publication;
a developing track record
a developing reputation

Dear Colleagues,
my experience fits well
I will contribute to
I am developing
find innovative ways to

Dear Colleagues,
during the post I will
building on these
going further with
developing expertise

Dear Colleagues,
I have published,
I have published
I have published
I have published

Dear Colleagues,
successful funding applications
won external funding
many more funding rejections
maintain connections

Yours faithfully,
just another early career sociologist
